

SANTA CLAUS LIVES IN FINLAND

Words and Music: Vesa Pölkki

Not too slowly

Voice

Piano

Meno mosso

I'm dreaming of white Christmas, and of the sunless winter, and of an old man with a

5

great fame. He lives in coldest Lapland, where northern lights are glowing,

8

Poco rit. Piu mosso

and we all know his name: San - ta Claus, San - ta Claus,

11

Poco rit. A tempo

San - ta lives in Lapland far in northern Finland. San - ta Claus,

14

San - ta Claus lives where Pole-Star shines just in

He's living near the North Pole,
but he has such a warm soul,
he only has one very noble goal.
Here in the world that is wild,
dear Santa always so mild
makes happy every child.

Santa Claus, ...

Presents he likes to give us,
maybe he's making some fuss,
he's hurrying, so instead of bus
harnesses Rednose Reindeer,
a minute, and he'll be here,
using the highest gear.

Santa Claus, ...

Lapp summer's but one long day,
and also Santa Claus may
enjoy the sun and rest and play.
He's sailing on the Lapp lakes,
favourite hobby that makes
him laughing when the boat shakes.

Santa Claus, ...
